

**REMARKS**

With the filing of this amendment, all claims remaining in this application were indicated as being allowable in the Office Action dated August 10, 2005, or now depend from claims that were indicated as being allowable. In particular, previously rejected claims 26–30 have been cancelled. Claims 33 – 37 and 47 – 53 have previously been indicated as being allowable. Claims 34 and 35 have been rewritten in independent form, which should place them in condition for allowance. However, the Examiner is asked to review the Office Action mailed August 10, 2005, because claims 34 – 37 were dependent claims that did not depend from an allowed claim. As such, there appears to be an inconsistency with regard to the subject indicated as being allowable.

For the reasons set forth above, it is believed that the application is in condition for allowance. Accordingly, reconsideration and favorable action are respectfully requested

Respectfully submitted,

Attorney for Applicant(s)
